Super comfortable! Runs a little large, I'm normally a size 7 and the 6.5 fit perfectly (I do not wear socks with these). I use them for walking around or biking at the gym.

After choosing the product's fit, a larger menu drops below with more options, including product comfort, width, and support.

There is an option to give the item a star rating, and once you click on a star, it informs you that your review will be posted publicly under your user name.

There is an area for personally written comments on the item as well.

After you have completed all of the steps you are given the option to add a photo, which would take you to your computer folders. If not, you may just click 'Submit'.
